

**Bedford
Primary School**

Dear Applicant,

Thank you for showing an interest in the role of KS2 Teacher at Bedford Primary School, a member of the Southport Learning Trust family of schools.

Our school was founded way back in 1885 and moved to the current site, on Quarry Road, in 1992. In April 2023 we joined the Southport Learning Trust group of schools. <https://www.southportlearningtrust.org/> Bedford Primary is the second primary school to join Kew Woods Primary in this growing Multi Academy Trust. The Trust also has five Sefton secondary schools.

The greatest resource our school has is its team of highly skilled, dedicated and hardworking staff. Each member of the team strives to ensure that the needs of each and every individual child are met. Going the extra mile to provide our children and their families with excellent care, guidance and support is what we do best.

We instil a belief in every child that they can excel by demanding high standards and setting challenging goals to which children aspire. We nurture creativity, resilience and a drive to achieve our vision statement “Dream, Believe, Aspire”. Our children have a real sense of belonging to Team Bedford and are always met with the care, understanding and empathy that they need to thrive.

All Southport Learning Trust staff members benefit from increased opportunities to work with a wide range of colleagues, have access to high quality professional development and the Trust Employee Wellbeing Assistance Programme.

We hope you are excited by the prospect of this role and the opportunity to work alongside colleagues, within Bedford and across the Trust, who are committed to improving the life chances of all pupils. If you are interested in applying, we will happily accommodate visits.

We look forward to receiving your application.

Ruth Braithwaite
