Admissions Criteria 2024

After the admission of pupils with an Education, Health and Care Plan which names the school and where there are more applications than places available, the following admissions criteria will be applied in order, to allocate places.

- 1) **Looked after children** and all **previously looked after children**, including those children who appear (to the admission authority) to **have been in state care outside of England** and ceased to be in state care as a result of being adopted (or became subject to a child arrangements order, or special guardianship order). *
- 2) **Sibling** - Children who have a **brother or sister** living in the same house who already attends the primary school of their choice, provided they will still attend the school in September 2024. Sibling is defined in these arrangements as step-children, foster children and half-brothers and sisters, adopted brothers and sisters or children of the parent(s)/carer(s)'s partner, living in the same family unit at the same address. ⁽¹⁾
- 3) **Children of staff** where the member of staff has been employed at a school within Southport Learning Trust for two or more years at the time at which the admission application for the school is made, and/or where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage. ⁽¹⁾ Parent(s)/carer(s) **must** state the employee's name on their admission application form. Details will be validated by the school.
- 4) **Distance** - Children in order, of proximity of their home to school, measured as per the tie breaker clause shown below. ⁽¹⁾

***See glossary for full definition**

Tie Breaker Clause

⁽¹⁾ If it is not possible to offer places for all applications within any criteria then priority will be given to those living closest to the school measured by the shortest walking distance from the child's home. We will measure from the property's address point, to the nearest school gate (using recognised routes known to the Local Authority at the time of measurement).
