# HI THERE!

Welcome to our 5th edition of Trust Matters!

From impressive academic progress to remarkable successes in sports, arts, and extracurricular activities, this edition highlights the wonderful talent and dedication across our Trust schools.

This term has been full of exciting opportunities, from enriching projects to collaborative events that have strengthened the bonds between our schools. Our commitment to working closely together continues to grow, creating a vibrant community where every student can thrive.

It is now third year that Southport Learning Trust has proudly supported the incredible work of the KnowKnifeCrime charity. It's been a powerful collaboration across our schools in a shared commitment to raising awareness and creating positive change. A huge congratulations to the dedicated members of staff who ran the London Marathon and to our amazing students who took part in the London Mini Marathon – a fantastic achievement and a true reflection of our Trust's community spirit and determination.

We also want to extend a huge congratulations to everyone involved in the recent Trust behaviour and subject reviews. The feedback has been overwhelmingly positive, reflecting the hard work and professionalism of our staff. These reviews are vital in helping us refine our practices and ensure the highest standards across all schools.

A sincere thank you goes to all our students, staff, and families, this has been a year in which we have come together in so many powerful ways. A year in which you have truly lived our Trust vision in 'Empowering our communities to positively impact the world'.

Looking ahead, we are excited to welcome Merefield Primary School to our Trust in the autumn term. We look forward to working closely with their staff and students as we continue to grow and develop together.

Wishing you all a safe, relaxing, and enjoyable summer break – you've earned it!
